

EventEmitter::emit

```
graph LR; A[EventEmitter::emit] --> B[EventEmitter::removeEventListener];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'EventEmitter::emit'. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'EventEmitter::removeEventListener' split across two lines.

EventEmitter::removeEvent
